

# Michigan Resource Stewards

## Membership Application

The purposes and objectives of the Michigan Resource Stewards are to advance professional stewardship of Michigan's natural resource legacy, through sound scientific principals, including our land, water, biota and the ecosystems comprising them.

Applications for membership are welcomed from seasoned professionals and leading non-professionals in the fields of natural resource management and environmental protection, including research, education and related disciplines, who subscribe to the purposes and objectives of the Michigan Resource Stewards.
